

The Practice of Giving Back

ROOTED IN CLEVELAND

JONES
DAY

PRO BONO SERVICE

“Each time a man stands up for an ideal, or acts to improve the lot of others, or strikes out against injustice, he sends forth a tiny ripple of hope....”

Robert F. Kennedy

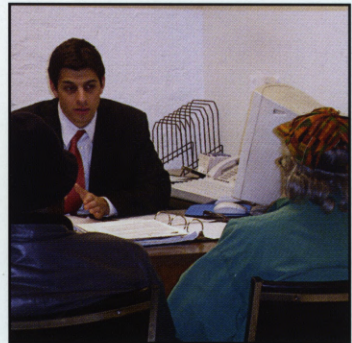

The indigent inmate in need of defense. The elderly man whose failing health strips him of financial resources. The nonprofit in need of legal guidance. For them and for so many others, Jones Day pro bono services make all the difference.

Jones Day demonstrates our deep commitment to the needs of the public and particularly the disadvantaged in our society through a wide array of pro bono cases and public service activities.

The Firm has been recognized by the Cleveland Bar Association’s “Our Commitment to Our Community” program for providing more pro bono and public service hours than any other law firm in the city.

Lawyers have choices regarding how to expend their immense legal talents, and at Jones Day, they have very real opportunities to make the most of themselves, both as lawyers and as citizens. Our lawyers can, and do, channel their imaginative spirit to serve the interests of society and the legal profession in creative, challenging, and rewarding ways.

Pro bono service represents the ultimate opportunity for giving back by utilizing our greatest resources—our people and the breadth and depth of their knowledge.

“Jones Day’s collaboration with Legal Aid is holistic and contributes significantly to our ability to provide services to those in need. The Firm is an important partner in helping us achieve our goal of ensuring that all people have access to justice.”
