# Employment Law for Social Service Providers

Do your clients have  
questions about  
criminal background  
and employee rights?

What workplace  
problems are  
unlawful employment  
discrimination?

What options exist for  
clients whose driver's  
license is suspended?

What can you do to  
help clients facing  
IRS and federal  
income tax issues?

Legal Aid invites you to learn about employment law matters  
your clients may experience and how you can help!
