2023 Partners in Justice

Who are Partners in Justice?

Partners in Justice serve as Legal Aid ambassadors at their organizations.

Partners in Justice have led to significant growth in philanthropic and volunteer support. As a result, Legal Aid continues to be the difference between homelessness and home, danger and safety, poverty and security for so many families. When justice is available to all, democracy thrives - and Northeast Ohio becomes safer, healthier, and more equitable.

In 2023, Partners in Justice will:

- 1) Conduct an **in-house educational event or campaign** to raise awareness and generate financial support for Legal Aid.
- 2) Encourage participation in Legal Aid's major events: **Jam for Justice** and the **Annual Meeting**.
- 3) Help raise awareness for Legal Aid's **Volunteer Lawyers Program**.
- 4) Participate in **exclusive Partners in Justice programming** to include networking events and guest speakers.

These activities are fully supported by Legal Aid's Development and Communications Department. Legal Aid Staff will: collaborate with you to create an outreach plan; provide marketing materials; draft sample correspondence; manage replies; and conduct marketing for all events.

Our Mission

Legal Aid's mission is to secure justice, equity, and access to opportunity for and with people who have low incomes through passionate legal representation and advocacy for systemic change.
