

Women in Sustainable Employment (WISE) Pathways

presented by **Oberlin Community Services**

WISE Pathways is a career exploration course designed for women to explore non-traditional, in-demand jobs in the energy, utilities, construction and manufacturing industries. You will have the opportunity to learn about career paths, strategies in conflict management, team-building, and workplace expectations; create a resume; practice online applications and interviewing; and be connected with recruiters from participating companies.

Course Dates & Schedule:
September 12 – October 14, 2017

Location:
Oberlin Community Services
285 S. Professor Street
Oberlin, OH 44074

For more information contact:
Colette Park
