

2016 ABD Medicaid Eligibility Changes

Policy & Impact

Save the Date!

10 am - 4 pm | Friday, March 18, 2016

Ohio Medicaid will experience many changes in 2016 that will impact how adults with disabilities, the elderly, and people with behavioral health needs access the Aged, Blind, & Disabled (ABD) side of Medicaid.

Please join agencies that advocate on behalf of ABD populations and other community leaders to learn about these policy changes and explore ways to help Northeast Ohio's most vulnerable residents protect their access to Medicaid.
