Contact Job and Family Services if you need help with the screen shot or applying for SNAP.

How to Apply for a Reduction

-If a case or a fine is preventing you from eligibility, the BMV will notify you online instantly or by mail within 10 days.
-You will need to settle all outstanding fines or court obligations to get a reduction.

PLEASE READ: Receiving a reduction of fees prevents you from qualifying for a waiver. Therefore, consider applying for the waiver first, before requesting a reduction.
